NUMBER 1

FOSTER.

Saw His Sister Eighteen Years Ago.

To The Star: I should like to locate my sister from whom I have been separated for about eighteen years. Her name is Ella May Kanable. She was given to a family at Foster, Bates county, Missouri, in 1891 or about that time. I do not know the name of the family to whom she was given, but think it was Roberts or Robinson. She would be about 21 years of age now. My father's name was Daniel Kanable.—Frank Kanable, Wallula, Kan.

Dan Roberts lived 3 miles north of Foster 17 or 18 years ago, and a year or two later moved to Nabs Creek, some 15 miles north of Foster, between Virginia and Adrian. Being acquainted with Mr. Roberts at that time, we know nothing of his whereabouts now. We are quite sure when Mr. Roberts is located, the lost sister will be found.

Mrs. J. W. Parlier and Miss Darby were shopping in Pleasanton Friday.

Woods, and is one of the pioneer settlers of New Home township, and is held in high esteem by the people of this vicinity. She is aged 68 years, while the groom is 12 years her senior. Only a few of the near relatives were present. The bride is a handsome and accomplished daughter of Mr. and Mrs. Alex Goodwin and stands high in social circles, while the groom is one of Nevada's prominent young men, and has a position as fireman on the Mo. From the American Issue Oct. 9th. The State of Mo., produces \$500,000,000 a year and yet men sit in the legislature and argue and vote that the state could not prosper and exist without debauching the citizens of the state by getting 10 percent of the money they get drunk on. These same men will ask you to vote for them in the next spring primary and intelligent men will vote for them to make laws for a state they believe would be bankrupt were it not for the misery, want and criminals made by the liquor traffic.—Sedalia Democrat Sentinel.
